One Day

Jack Savoretti

Am D I m counting the street lights It s all i can do C D While driving myself crazy trying to get to you Feels wrong at the right time D To reveal my hand Am D It s like i ${\tt m}$ doing the worst i can To make you understand DmAm Maybe one day you will know G Am How hard it is for me to show my heart And all the love Am Running through my soul Maybe one day you will know D Am I m hoping you just might D Am Take a moment to realize D That everything you re looking for Is hidden in plain sight G D Am D I know you better than i know myself D C G How i feel is the only thing i could never ever tell ya DmAm Maybe one day you will know Am How hard it is for me to show my heart And all the love Am Running through my soul
