Em Am G

G C7M
Set the phasers to rot
G C7M
What has got you distraught?
Em Am
It s negative attention at best

But call it nothing

Maybe it s something, a little bit, a little bit

Em C7M
Go on and hand me your clothes (there you go)
Em C7M
Take a picture or two (two, bad feeling)
Em C7M
I can see you (oh)

G C7M
Tears falling down at the party
G C7M
Saddest little baby in the room
Em Am
Fears, tell me fears, don t get me started

I get a little grey hair for every scare you share

Em Am
Those aren t meant to bend
G
No, those aren t meant to bend

I hear your eyes
