Sixteen Saltines - Jack White

I saw Jack White rock this new song on SNL the other night. Here s the basic chords. He plays some riffs with an EHX Bassballs, I haven t figured those or the solo out.

Verses: **E G A B**

Chorus: **G A**

He plays all the chords as power chords.

[Main Riff]

E G

A

B

She s got stickers on her locker
And the boy s number s there in magic marker
I m hungry and the hunger will linger

C

D

I eat sixteen saltine crackers then I lick my fingers

Well every morning I deliver the news
Black hat white shoes and I m red allover
She s got a big mailbox, that she puts up front
Garbage in garbage out, she s getting what she wants

Who s jealous who s jealous who s jealous who s jealous of who?
If I get busy then I couldn t care less what you do
But when I m by myself I think of nothing else
Than if a boy just might be getting through and touching you

Spike heels make a hole in a lifeboat
Jumpin and waving, I m talking and laughing as we float
I hear a whistle, that s how I know she s home
Lipstick, eyelash, broke mirror, broken home

Force fed, force mixed till I drop dead
You can t defeat her, when you meet her you ll be what I said
And Lord knows there s a method to her madness

Bustin those jokes as I float in a sea of sadness

She doesn't know but when she's gonna sit and drink up a few
I'm sure she's drinkin' two, but wondering what for and who
And I'm solo rowing, I'm one side off the boat.
Looking out, throwing up, a lifesaver down my throat

Who's jealous who's jealous who's jealous who's jealous of who? (x3)
