

Be Good Baby
Jackie DeShannon

D# **Fm**
Baby, I don't want you to go
 D# **Fm**
Cause baby I'm gonna miss you so
 D# **G#** **D#** **G#**
When you are away (be a good baby), remember I love you (be a good baby)
 D# **G#** **D#** **G#**
Remember I need you (be a good baby), remember I care (be a good baby)

Baby do you have to go today
Oh baby I'd be so nice if you'd stay
Don't go away (be a good baby) because I love you (be a good baby)
Because I need you (be a good baby), because I care

G# **Gm**
You know I cry for you as I watch you leave
G# **Fm** **Bb**
So be good baby, please be good to me

Baby do you have to go now
Oh baby wherever you go now
When you are away (be a good baby), remember I love you (be a good baby)
Remember I need you (be a good baby), remember I care (be a good baby)
Be a good baby, be a good baby...
