

**Come And Stay With Me**  
**Jackie DeShannon**

**Bb** **C**  
I ll send away all my false pride

**Bb** **C**  
And I ll forsake all my life

**F** **G** **C**  
Yes I ll be as true as true can be

**G** **F** **C**  
If you ll come and stay with me.

**Bb** **C**  
Lovers of the past I ll leave behind

**Bb** **C**  
There ll never be another on my mind

**F** **G** **C**  
I ll try and see if you ll have all you need

**G** **F** **C**  
If you ll come and stay with me.

Promises I make so faithfully  
I ll keep still should you decide to leave  
I ll do all you can so you ll feel free  
If you ll come and stay with me.

We live a life no one has ever known  
But I know you think that I m hardly grown  
I ll do all you can so you ll feel free  
If you ll come and stay with me.

Instrumental +  
If you ll come and stay with me.  
If you ll come and stay with me.
