Crystal Clear Jackie DeShannon

Bb

Crystal clear is my love, when he s near I m high above G# Everything and everyone that used to bring me down G# D# Everything I ever need I have when he s around F7 Gm And if I harmonise with the song that he sings F F7 Gm Then I can realise with the love that he brings D# All the beautiful things just for me, ohohoho D# Вb Crystal pure is his heart and I m sure we ll never part G# D# Knowing that his love is so much more that it would seem C# G# D# I can t help and wonder he s he just for me F7 Вb And I don t know his name and I don t know if he s real F7 And so I can t explain all the things that I feel That someone might steal him from me, ohohoho

D#

Crystal clear is my love, on his wings I fly above Looking in his eyes I m never sure just what I see I can t find reflections there of what I thought was me And in the darkest nights I ve no need for the moon His eyes are twice as bright and his songs are in tune He ll come to me soon, wait and see
