D# F Bb

Cause heaven is being with you

When I get to heaven, I m gonna hear sweet music

And I know when I hear it, the tune won t be new

Let me tell you how I m gonna recognize the melody

Cause I hear it every time you re close to me

Cause heaven is being with you

D# D#6 Bb

No, I won t be a stranger in paradise

Gm C Bb7 F

Those pearly gates are gonna look like home, sweet home

When I get to heaven, the angels that I see there

Will have a way of smiling the way that you do

I know exactly how it s gonna be

Just how it is when you are close to me

Cause heaven is being with you

My heaven is being with you
