

**I Remember The Boy**  
**Jackie DeShannon**

Intro: **A Asus4 A Asus2 A** (repeat 4X)

**D A**  
I remember the boy who held his hand in mine

**D A**  
He was the boy not looking to change my mind

**D Dmaj7 D7**  
And let me tell you now, everyday that he's been away

**A E**  
You know I cry all night, somehow I feel like I didn't do right

And I can still see his face cause it's deep in my memory  
Ringing in my ears are all the things he once told to me  
I don't think he was putting me on when he said he just had to move on  
The stars up in the sky he's reaching for only make me love him more

Refrão -----

**E**  
And I wonder, I wonder I wonder  
**D**  
Will he remember me in some little town ready to settle down

**E**  
Will I be there too share his pleasant dreams

**A Intro**  
He does not know how much it means oh no

-----

I remember the boy who'll always be a part of me  
And I can't help but feel that he'll often think of me
