I don?t keep track of time, living on the dole in Laurel Canyon

Standing here trying to get a ride, I got my baby by my side

Some say we are the pride of Laurel Canyon

Shades of Camelot, giving all I?ve got to Laurel Canyon

John Paul Jones and Lizzy trying to keep it in, Laurel Canyon

Up and down here take your pick, light another candlestick

I don?t think I could ever keep Laurel Canyon

Looking out my door I can see that story, Laurel Canyon  
Staying just above with the one I love, Laurel Canyon  
Our good friend Felicity, she married old man Socrates  
Standing under neath the trees of Laurel Canyon, strange companion

I?ve got a dog named Gwinn wondering somewhere in Laurel Canyon  
She goes out to play, seems to know her way through Laurel Canyon  
Saw miss kitty chase a mouse living in a wooden house  
I?m sowing flowers out on my blouse, Laurel Canyon, strange companion

Look out I?m gonna shout about good old Laurel Canyon  
Staying just above with the one I love, Laurel Canyon  
Good old, good old Laurel Canyon...
