Refrão -----

F#m **Bm** **C#** **F#m**
Send my mother a lock of my hair
A **C#m** **C#**
Send my father the ribbons he gave me
F#m **E** **D** **C#**
Tell them hated so say farewell
 Bm **A** **C#m** **F#m**
But I can t live with the lies that some people tell
Bm **F#m**
Why can t the world be like little yellow roses
C# **F#m**
Lies they don t know, truth only they grow

I ve always believed all man are equal
Whatever colour, religion or land
I can t stand still and watch it destroyed
So I ll keep on running until it is forever mend
