**Em**

if you just don t let the devil take your mind

There is no one man among us  
who is safe from the siren s call  
temptation s like a crooked finger  
it s calling for us all

Well the world s so damp it s beginning to swell  
there s a baby crying from the water well,  
just don t let the devil take your mind

Chorus:

**G**

**F**

**Em**

**F**

Take your mind, take your mind

**G**

**B7**

The Devil s on your heels he s close behind

**Em**

Well I m just here to relate to you,

**Am**

Wherever you are, wherever you do,

**Em**

**B7**

**Em**

Just don t let the devil take your mind

Well the fortune teller whispered in your ear

**Em**

**D**

don t you remember? She said the night has come,

**F**

**Em**

the devil takes the hand holds,

**D**

So get out the door, don t waste no time

**Am**

**Em**

stay on the path and don t fall behind

**B7**

**Em**

and just don t let the devil take your mind

\*chorus\*

Verse:

Well you don t need to walk on water,  
you don t need to be a saint,  
it don t matter who you are, or even who you ain t  
we walk through life and we live and die,  
we do are best, to not ask why,  
just don t let the devil take your mind.
