+++++

Am

I wish we could hang out

F

Like we once did before hate(?????)

G

Confessing our love

E

By the dumpster Hungry Hounds

F

We were so, so willing

G

To take a chance

E

We were so, so willing

F

To dance like fools

Am

I Wish we could hang out

F

Like we once did before hate

G

In God s soul come and get it

E

I cannot just forget

F

Sweep it all under the carpet

G

An leave the tongs on

E

Suspended animation

F

Apart the ticket

Solo

Am

I wish we could hand out

F

Like we once did before hate

G

It all went down the drain

E

Out the window tumbleweed

F

There is no explanation

G

That makes any sense

E

There is no, no telling

F

What went wrong

CHORUS

F **G**

Ah, Somehow

E **F** x2

Ah, Somehow

SOLO

Am

I wish we could hand out

F

Like we once did before hate

G

So simple, so devine

E

No laws or baggage to climb

F

There is no, no clean slate

G

To polsih now

E

If we could go backwards

F

would we make it to the end somehow

CHORUS
