

## Bruised

## Jack's Mannequin

Some of the other tabs for this song may be correct as well but I found them to be unnecessarily difficult and think this tab should be easy for most people and

sounds to me pretty much on point.

[Verse]

C

I ve got my things, I m good to go

Em

You met me at the terminal

Am F C G

Just one more plane ride and it s done

C

We stood like statues at the gate

Em

Vacation s come and gone too late

Am F

There s so much sun where I m from

C

**G**

I had to give it away, had to give you away

```
[break]

C    Em    Am    F

C

And we spent four days on an

Em

Am

Island at your family s old hotel

**F**

C

Sometimes perfection can be

**G**

It can be perfect hell

**F**

Perfect

[ Chorus ]

**F**

Hours pass and she still counts the minutes

C

That I am not there

**F**

I swear I didn't mean for it to feel like this

C

Like every inch of me is bruised,

**G**

Bruised

**F**

Don't fly fast Oh, pilot can you help me

**C**

Can you make this last? This plane is all I got

**F**

So keep it steady, now Cause every inch you see is

**C**

**G**

Bruised

[Verse 2]

**C**

I lace my Chucks, I walk the aisle

**Em**

I take my pills the babies cry

**Am**

All I hear

**F**

Is what's playing through the in-flight radio

**C**

Now every word of every song

**Em**

I've ever heard that made me

**Am**

Want to stay

**F**

Is what's playing through the in-flight radio

**C**

And I...

**Em**

I am...

**Am**

Finally waking up

**F**

Hours pass and she still counts the minutes

**C**

That I am not there

**F**

I swear I didn't mean for it to feel like this

**C**

Like every inch of me is bruised,

**G**

Bruised

**F**

Don't fly fast Oh, pilot can you help me

**C**

Can you make this last? This plane is all I got

**F**

So keep it steady, now Cause every inch you see is

**C**

**G**

Bruised

[Bridge]

**C**

So read your books

**Em**

**Am**

But stay out late some nights, some nights

**C**

And don't think that you

**Em**

**Am**

Can't stop by the bar

**C**

**Em**

You haven't shown your face here

**Am**

Since the bad news

**C**

**Em**

I'm here 'til close, with fingers crossed

**Am**

Each night 'cause your place isn't far

(let ring)

(let ring)

**F**

**C**

**F**

And hours pass, and hours pass, yeah, yeah

**F**

She still counts the minutes

**C**

That I am not there

**F**

I swear I didn't mean for it to feel like this

**C**

Like every inch of me is bruised,

**G**

Bruised

**F**

Don't fly fast Oh, pilot can you help me

**C**

Can you make this last? This plane is all I got

**F**

So keep it steady, now 'cause every inch you see is

**C**

**G**

**C**

Bruised.....yeah.....bruised, bruised
