(VERSES REPEAT SAME CHORDS)

And she sings
My bird dressed in white.
And she stings
My arm in the night.
I lay still
Still I m ready to fight.
Have my lungs
But you can t take my sight.
The walls caved in Tonight.

3:

And out here
I watch the sun circle the earth
The marrows collide in rebirth
In God s glory praise
The spirit calls out
from the caves.
The walls fell and there I lay Saved.
