Verse is the same

Prechorus is the same

Chorus is the same

Bridge: There is picking going on but its blah so i did the bass line instead, which impress more ladies

Cm(10th fret), **Bb**, **Ab**

Cm(3rd fret) and the next chord is Eb but the root note is on D, then change root note to Eb

Do this 2x

Quickly changes to Ab but the root note is on G, then to Ab, then to Bb
Cm(10th fret), Bb
Quickly changes to Ab but the root note is on G, then to Ab, then to Bb
Cm(10th fret), Bb
Quickly changes to Ab but the root note is on G, then to Ab, then to Bb
Cm(10th fret), Bb
Quickly changes to Ab but the root note is on G, then to Ab, then to Bb
Cm(10th fret), Bb(let it ring)

Before chorus there is a picking part but i forgot it and will update when I remember

Chorus

Piano Intro again

Guitar Intro

end on Eb
