Til then I ll turn you to the new religion

We re dropping out into the so unknown, so unknown, yeah.

And we won t wake up on Sunday, So I m building us a church
Where we can sleep in, With the gods at work

And our friends will write us letters
They ll never understand why we don t call
We re hiding out until the empire falls, Let it fall.

:Chorus

If we have lost control, we re drifting slow, into the so unknown

If we have lost control, we re drifting slow, and so we drop out

And I ll give you this confession, I am taking you with me.
