A **E** **B** **A**
I ll give you this confession

I am taking you with me
E **B** **A**
Where we can contemplate our chemistry
E **B** **A**
And your eyes were lined with questions
E **B** **A**
With the blood rushing to waste
E **B**
To take this feeling with us to our graves, to our graves

:Chorus

A **E** **B** **A** **E**
I get the feeling we re so misdirected
B **A** **E**
I get the feeling we have lost control
B **A** **E**
Til then I ll turn you to the new religion
B **A** **E** **A** **E**
We re dropping out into the so unknown, so unknown, yeah.

:Verse 2: use verse 1 chords

And we won t wake up on Sunday, So I m building us a church
Where we can sleep in, With the gods at work

And our friends will write us letters
They ll never understand why we don t call
We re hiding out until the empire falls, Let it fall.

:Chorus

Bridge:

E **B** **A**
If we have lost control, we re drifting slow, into the so unknown
E **B** **A**
If we have lost control, we re drifting slow, and so we drop out

Mini-verse:

And I ll give you this confession, I am taking you with me.

:Repeat Chorus 2x to fade out
