

## My Racing Thoughts

### Jack's Mannequin

I am nearly sick and tired of this song because I've listened to this song on loop for three hours now trying to get the right chords...but it's Jack's Mannequin so I won't be sick of it for too long (: Enjoy! And I hope these are correct. I just did it by ear. But definitely comment if I did anything wrong or you have any suggestions! (:

Standard tuning

No capo

Intro:

**F C Am G** x2

**C**

She's a black cat

**F** hanging round my doorstep **C**

I'll need all day tomorrow

**F C**  
to recover from today

I was boxing with my shadow

**F C**  
At a stoplight when the clocks changed

**F**  
It was midnight I was mixed up

**G C**  
When she called to drag the lake

**F C**  
I think I'm running short on inspiration

**G**  
She's running long on borrowed time

**F**  
We break with speed

**C G**  
That girl can read my racing thoughts

**F**  
She asks the questions

**C**  
I take the floor

**G**

She takes her shots

**F C**

Taught her a lesson

**Am G**

About a forced confession

**F**

We break with speed

**C G**

That girls can read my racing thoughts

**F C Am G**

My racing thoughts

**F C Am G**

My racing thoughts

**C**

So I ll try to keep her steady now

**F C**

But steady s not her strong suit

I was raised going to church

**F C**

But couldn t practice what they preached

So I m hiring a DJ

**F C**

For the eve of our destruction

**F**

It was midnight I was mixed up

**G C**

When she found me on the beach

**F C**

I think I m running low on inspiration

**G**

She s running long on borrowed time

**F**

We break with speed

**C G**

That girl can read my racing thoughts

**F**

She asks the questions

**C**

I take the floor

**G**

She takes her shots

**F C**

Taught her a lesson

**Am G**

About a forced confession

**F**

We break with speed

**C G**

That girls can read my racing thoughts

**F C Am G**

My racing thoughts

**F C Am G**

My racing thoughts

(Interlude with the "œmmmmmm"•s. Strum once for each.)
