Verse 1

```

          F                               Dm
welcome to the future we re all so glad you came

          F
attacked me in the laneway

          Dm
in this town you don t get nowhere unless you re on a

          F
bicycle

          Dm                               F
so hip and out of touch parked out on the speedway

          Dm
just trying not to move its only getting harder now
```

Per Chorus

```

Gm          F          C
we could engineer a wall that couldn t fall with all

A#  F      A#
this    time
```

Chorus

Dm **F** **A#**
my life in technicolor can you check the shutters

C **F**
someone get my mother

Dm **A#**
on the phone

C
she oughta know what i m up to

F **Dm** **A#**
out here in hollywood you don t need a sweater cause the

C **F**
sun feels better

Dm **A#**
in slow motion

C
i ride the wave back home

Bridge

...i ride the wave back home
