G **Bm**
There s a lot that I don t know
A
There s a lot that I m still learning
G **Bm**
But I think I m letting go
A
To find my body is still burning
G **Bm**
And you hold me down
A
And you got me living in the past
G **Bm**
Come on and pick me up
A
Somebody clear the wreckage from the blast

G **Bm**
I m alive
D **E**
And I don t need a witness
G **Bm**
To know that I survived
D **E**
I m not looking for forgiveness
G **Bm**
I just need light
D **E**
I need light in the dark as I search for the resolution

G Bm A

(Same chords)
And the bars are finally closed
So I try living in the moment
Til the moment it just froze
And I felt sick and so alone
I can hear the sound
Of your voice still ringing in my ear
I m going underground
But you ll find me anywhere I feel

That I m alive
And I don t need a witness
To know that I survived
I m not looking for forgiveness
I just need light
I need light in the dark as I search for the resolution (G Bm)
I need light in the dark as I search for the resolution

(Verse Chords)

You hold me down
You hold me down

(Chorus Chords)

I m alive
And I don t need a witness
To know that I survived
I m not looking for forgiveness

I m alive
And I don t need a witness
To know that I survived
I m not looking for forgiveness
I just need light
I need light in the dark as I search for the resolution
I need light in the dark as I search for the resolution
I need light, I need light
