       Yeah, can we call it a loan
       that I m paying for for the seeds I have sown?
       Yeah, can we say that I ve grown
       in some ways that we may have yet to be shown?
                           C
                               Am
                                     D G
       Oh, oh, if I d only know, aah, what your heart costs.
       Oh, oh, can we call it a loan,
       And a debt that I owe on a bet that I lost?
