DOCTOR MY EYES
Jackson Browne

G **B7sus4** **Em**
Doctor my eyes have seen the years
G **B7** **Em**
And the slow parade of fears without crying
C **G**
Now I want to understand
B7sus4 **Em**
I have done all that I could
G **B7** **Em**
To see the evil and the good without hiding
C **G**
You must help me if you can.

G **C** **G** **D**
Doctor my eyes and tell me what is wrong
B7sus4 **Em**
Was I unwi---se,
G **C**
To leave them open for so long.

G **B7sus4** **Em**
As I ve wondered through this world
G **B7** **Em**
As each moment has unfurled I lay waiting
C **G**
To awaken from these dreams
B7sus4 **Em**
People go just where they will
G **B7** **Em**
I never noticed them until I got this feeling
C **G**
That it s later than it seems.

G **C** **G** **D**
Doctor my eyes and tell me what you see
B7sus4 **Em**
I hear their cri---es,
G **C**
Just say if it s too late for me.
