G# Bb Eb G# Bb
People say that I must be in love, the way I forget what we re speaking of

The way I stand there smiling straight ahead

G# Eb Bb
And walk away without hearing a word they said

When we re apart I can close my eyes and hear you there

Standing on a hillside staring at the sun

People hurry by the unfortunate one

Eb G#

With the far-away eyes and the mystery smile

Bb

Moving my body in a ragamuffin style

Eb G# Bb

Eb **G#**
Standing in the market where I buy my bread
Bb
With a hunger in my belly and a rhythm in my head

Eb **G#**
Looking all around for something good to eat
Bb

Between the butter and the beans and the mops and the meat

Eb **G#**
Coffee from the mountain, honey from the bee

Bb
Nothing tastes as good as you taste to me

Eb **G#**
Rocking in the aisle to my inside song

Bb
People staring at me think I got a walkman on

Eb **G#** **Bb** **Eb** **G#** **Bb**
I hear your heart beating everywhere, I hear your heart
