Everywhere I Go (Jackson Browne)

**E** **A** **B** **E** **A** **B**  
I hear your heart beating everywhere, when we re apart I can hear you there  
**E** **A** **B** **E**  
I hear your heart beating everywhere, everywhere I go

**A** **B** **E** **A** **B**  
People say that I must be in love, the way I forget what we re speaking of  
**G#** **C#m**  
The way I stand there smiling straight ahead  
**A** **E** **B**  
And walk away without hearing a word they said

**E** **A** **B**  
I hear your heart beating everywhere  
**E** **A** **B**  
When we re apart I can close my eyes and hear you there

Everywhere I go

**E** **A** **B**  
In the middle of a football game, at the beach in the pouring rain  
**E** **A**  
Standing on a hillside staring at the sun  
**B**  
People hurry by the unfortunate one  
**E** **A**  
With the far-away eyes and the mystery smile  
**B**  
Moving my body in a ragamuffin style  
**E** **A** **B** **E**  
I can t sit down when I hear it start, I hear your heart everywhere I go

**A** **B** **E** **A** **B**  
People say that I must be a fool, cos when I m near you I cannot be cool  
**G#** **C#m**  
I can t quite make sense when I talk to you  
**A** **E** **B**  
And when you smile I forget everything I knew

**E**                    **A**                    **B**  
 I hear your heart beating everywhere  
**E**                    **A**                    **B**

**E**    **A**  
 Standing in the market where I buy my bread  
                          **B**  
 With a hunger in my belly and a rhythm in my head  
**E**    **A**  
 Looking all around for something good to eat  
                          **B**  
 Between the butter and the beans and the mops and the meat  
**E**    **A**  
 Coffee from the mountain, honey from the bee  
**B**  
 Nothing tastes as good as you taste to me  
**E**    **A**  
 Rocking in the aisle to my inside song  
                          **B**  
 People staring at me think I got a walkman on

**E**                    **A**                    **B**                    **E**                    **A**                    **B**  
 I hear your heart beating everywhere, I hear your heart  
**E**                    **A**                    **B**  
 I hear your heart beating everywhere  
**E**                    **A**                    **B**                    **E**  
 I hear your heart, beating everywhere I go  
                          **A**                    **B**  
 I hear your heart beating everywhere  
**E**                    **A**                    **B**                    **E**  
 I hear your heart, beating everywhere I go  
                          **A**                    **B**                    **E**                    **A**                    **B**                    **E**
