Everywhere I Go (Jackson Browne)

**E** **A** **B** **E** **A** **B**  
I hear your heart beating everywhere, when we re apart I can hear you there

**E** **A** **B** **E**  
I hear your heart beating everywhere, everywhere I go

**A** **B** **E** **A** **B**  
People say that I must be in love, the way I forget what we re speaking of  
**G#** **C#m**

The way I stand there smiling straight ahead

**A** **E** **B**  
And walk away without hearing a word they said

**E** **A** **B**  
I hear your heart beating everywhere

**E** **A** **B**  
When we re apart I can close my eyes and hear you there

**E** **A** **B** **E** / **A** / **B** / / /  
I hear your heart beating everywhere, everywhere I go

**D** / **G** / **A** / / /

Everywhere I go

**E** **A** **B**  
In the middle of a football game, at the beach in the pouring rain

**E** **A**  
Standing on a hillside staring at the sun

**B**  
People hurry by the unfortunate one

**E** **A**  
With the far-away eyes and the mystery smile

**B**  
Moving my body in a ragamuffin style

**E** **A** **B** **E**  
I can t sit down when I hear it start, I hear your heart everywhere I go

**A** **B** **E** **A** **B**  
People say that I must be a fool, cos when I m near you I cannot be cool  
**G#** **C#m**

I can t quite make sense when I talk to you

**A** **E** **B**  
And when you smile I forget everything I knew
