

Crying as they ease you down  
**C** Cause I know that you'd rather we were dancing **F** **C**  
**G** Dancing our sorrow away **Am**  
**F** Right on dancing  
**C** No matter what fate chooses to play **G**  
There's nothing you can do about it anyway **C**

**F** Just do the steps that you've been shown **C**  
**F** By everyone you've ever known **C** **G**  
**Am** Until the dance becomes your very own **C7**  
**F** No matter how close to yours **G**

[Verse 3]

Keep a fire for the human race  
Let your prayers go drifting into space  
You never know what will be coming down  
Perhaps a better world is drawing near  
And just as easily it could all disappear  
Along with whatever meaning you might have found

**Am** Don't let the uncertainty turn you around **F** **C**  
The world keeps turning around and around  
**G** Go on and make a joyful sound **C**

[Bridge]

**F**                  **C**  
Into a dancer you have grown  
          **F**                  **C**                  **G**  
From a seed somebody else has thrown  
**Am**                          **C7**                          **F**  
Go on ahead and throw some seeds of your own  
**F**                          **G**                          **Am**  
And somewhere between the time you arrive  
                          **F**  
And the time you go  
                  **C**                          **G**  
May lie the reason you were alive  
  
But you ll never know

[Outro]

**C F C G C G C**
