I'll Do Anything (Jackson Browne)

**Bm** **Em** **Bm** **Em**  
You hold a life there in your hands, you probably don't know

**Bm** **Em** **G** **A** **D**  
Somehow your dreams became my plans, somewhere long ago

**Bm** **G**  
Think about the things we've done and where we've been

**A** **D**  
Your touch made me a king

**Bm** **G** **A** **D**  
I don't want to live without your love again, I'll do anything

**Em** **F#m** **G**  
To make you see what I'm imagining

**Em** **F#m** **G**  
To know the pleasure your smile can bring

**Em** **F#m** **G** **A** **Bm** / / / / / / /  
To keep the light from vanishing, I'll do anything

**Bm** **Em** **Bm** **Em**  
I fly this airplane upside down, I walk out on the wing

**Bm** **Em** **G** **A** **D**  
To see you watching from the ground, I'll do anything

**Bm** **G** **A** **D**  
When I see the light upon your upturned face, I can hear the angels sing

**Bm** **G** **A** **D**  
Don't ever let another take my place, I'll do anything

**Em** **F#m** **G**  
To make you see what I'm imagining

**Em** **F#m** **G**
