

Late For The Sky  
Jackson Browne

Jackson Browne: Late for the sky

[Verse 1]

**C#** **G#**  
Of the words that all ve been spoken,  
**F#** **C#**  
somehow the feeling still wasn t right,  
**F#** **Bbm** **G#** **F#** **C#**  
and still we continued on through the night.  
**G#**  
Tracing our steps from the beginning,  
**F#** **C#**  
till they vanished into the air.  
**F#** **Bbm** **G#** **F#** **C#**  
Trying to understand how our lives had led us there.

[Refrain]

**F#** **Bbm** **G#** **F#** **G#**  
Looking hard into your eyes, there was nobody I d ever known.  
**F#** **Bbm** **G#**  
Such an empty surprise to feel so alone.

[Verse 2]

**C#** **G#**  
Now for me, some words come easy  
**F#** **C#**  
but I know that they don t mean that much,  
**F#** **Bbm** **G#** **C#**  
compared with the things that are said when lovers touch.  
**C#** **G#**  
You ll never knew what I loved in you,  
**F#** **C#**  
I don t know what you loved in me.  
**F#** **Bbm** **G#** **F#** **C#**  
Maybe the picture of somebody you were hoping I might be.

[Chorus]

**F#** **Bbm** **G#** **C#** **G#**  
Awake again, I can t pretend and I know I am alone.

**F#** **Bbm** **G# C# G#**  
 And close to the end of the feeling we ve known.  
**F#** **C#**  
 How long have I been sleeping?  
**F#** **Bbm** **G#** **C#**  
 How long have I been drifting alone through the night?  
**F#** **Bbm**  
 How long have I been dreaming I  
**G#** **C#**  
 could make it right if I close my eyes  
**F#** **Bbm**  
 and try with all my might to be the one you need ...

[Chorus]

**F#** **Bbm** **G#** **C# G#**  
 Awake again, I can t pretend and I know I am alone.  
**F#** **Bbm** **G# C# G#**  
 And close to the end of the feeling we ve known.  
**F#** **C#**  
 How long have I been sleeping?  
**F#** **Bbm** **G#** **C#**  
 How long have I been drifting alone through the night?  
**F#** **Bbm**  
 How long have I been running for  
**G#** **C#**  
 that morning flight through the whispered promises  
**F#** **C#** **G#**  
 in the changing light of the bed where we both lie,  
**C#**  
 late for the sky.
