Late For The Sky Jackson Browne Jackson Browne: Late for the sky [Verse 1] Of the words that all ve been spoken, somehow the feeling still wasn t right, BmΑ and still we continued on through the night. Tracing our steps from the beginning, till they vanished into the air. BmTrying to understand how our lives had led us there. [Refrain] Looking hard into your eyes, there was nobody I d ever known. G BmSuch an empty surprise to feel so alone. [Verse 2] Now for me, some words come easy but I know that they don t mean that much, compared with the things that are said when lovers touch. You ll never knew what I loved in you, I don t know what you loved in me.

[Chorus]

 ${f G}$ ${f Bm}$ ${f A}$ ${f D}$ ${f A}$ Awake again, I can t pretend and I know I am alone.

Maybe the picture of somebody you were hoping I might be.

G \mathbf{Bm} And close to the end of the feeling we ve known. How long have I been sleeping? \mathbf{Bm} How long have I been drifting alone through the night? How long have I been dreaming I could make it right if I close my eyes and try with all my might to be the one you need ... [Chorus] \mathbf{Bm} Awake again, I can t pretend and I know I am alone. \mathbf{Bm} And close to the end of the feeling we ve known. How long have I been sleeping? BmD How long have I been drifting alone through the night? How long have I been running for that morning flight through the whispered promises in the changing light of the bed where we both lie,

late for the sky.
