```
C                    C-G                    C              C-G
Looking out at the road rushing under my wheels
C                    C   G              C              C-G
Looking back at the years gone by like so many summer fields
C                    C-G            C              C-G
In sixty-five I was seventeen and running up 101
C                          G/C#                  D
I don t know where I m running now, I m just running on
```

[CHORUS]
```
         C/A                G
(Running on) Running on empty
         C/A          G
(Running on) Running blind
         C/A                    G                  Em
(Running on) Running into the sun, but running behind.
```

[VERSE 2]
Gotta do what you can just to keep your love alive
Trying not to confuse it with what you do to survive
In sixty-nine I was twenty-one and called the road my own
I don t know when that road turned onto the road I m on.

[CHORUS] 1x

[INTRO] (with slide guitar)

```
Em            C      D              G
   Everyone I know,  everywhere I go

Em                    D          C
   People need some reason to believe
                          G
   I don t know about anyone but me
Em             C      D            G
   If it takes all night,  that ll be all right
C                        D              C  Bm    Am  G    Em  D
   If I can get you to smile before I leave

[VERSE 3]
Looking out at the road rushing under my wheels
I don t know how to tell you all just how crazy this life feels
I look around for the friends I used to turn to to pull me through
Looking into their eyes I see them running too

[CHORUS] 1x

[VERSE 4]
C              C   G            C                  C G
Honey you really tempt me,  You know the way you look so kind
C                    D              C  Bm    Am  G    Em  D
I d love to stick around but I m running behind
C                    D              C  Bm    Am  G    Em  D
You know I don t even know what I m hoping to find
C           G/C#                   C  Bm    Am  G
Running into the sun but I m running behind.
