[VERSE 1]
E   **E-B**   **E**   **E-B**
Looking out at the road rushing under my wheels
E   **E   B**   **E**   **E-B**
Looking back at the years gone by like so many summer fields
E   **E-B**   **E**   **E-B**
In sixty-five I was seventeen and running up 101
E   **B/C#**   **F#**
I don t know where I m running now, I m just running on

[CHORUS]
          E/A   **B**
(Running on) Running on empty
          E/A   **B**
(Running on) Running blind
          E/A   **B**   **G#m**
(Running on) Running into the sun, but running behind.

[VERSE 2]
Gotta do what you can just to keep your love alive
Trying not to confuse it with what you do to survive
In sixty-nine I was twenty-one and called the road my own
I don t know when that road turned onto the road I m on.

[CHORUS] 1x

   Everyone I know, everywhere I go

   I don t know about anyone but me
G#m               E       F#              B
   If it takes all night,  that ll be all right
E                        F#               E    Ebm    C#m  B    G#m  F#
   If I can get you to smile before I leave

[VERSE 3]
Looking out at the road rushing under my wheels
I don t know how to tell you all just how crazy this life feels
I look around for the friends I used to turn to to pull me through
Looking into their eyes I see them running too

[CHORUS] 1x

[VERSE 4]
E                 E     B                E                    E B
Honey you really tempt me,  You know the way you look so kind
E                       F#               E    Ebm    C#m  B    G#m  F#

E                       F#               E    Ebm    C#m  B    G#m  F#
You know I don t even know what I m hoping to find
E               B/C#                      E    Ebm    C#m  B
Running into the sun but I m running behind.
