Jackson Browne

**G**          **D**                  **C**  
Between the darkness on the street,

and the houses, filling up with light  
      **G**          **D**                  **C**  
Between the stillness in my heart,  
          **Em**                          **D**      **C**  
and the roar of the approaching night

Somebody s calling after somebody,

Looking for somebody,

Somewhere in the night
