

**Relations**

**Jackson C. Frank**

Standard tuning: EADGBE  
Capo on : fret #4  
Tabbed by : Manuel R.

Intro: G FaddG CaddG G x 2

**G** FaddG CaddG **G**  
Why don't you cry for me Baby?  
FaddG CaddG G  
Help me make it through  
FaddG CaddG G  
Why don't you see me lately?  
FaddG CaddG G  
I'm sad that I'm true

**G** **G/F#** **Em** ddG  
I looked up the page and your portrait it was mine  
**B7**  
Knew it was the only  
**Em**  
one of its kind  
**C** **D**  
I pulled out my money on the run  
**C** **D**  
Did not mean to hurt any one

**G** FaddG CaddG **G**  
But I got to sing it, baby  
FaddG CaddG G  
And tell it for fun  
FaddG CaddG G  
Might as well defend the whole body  
FaddG CaddG G  
I'm in love with someone

**G** **G/F#** **Em** ddG  
Several years of rubies and pearls at her breast  
**B7**  
She's a demon, she's a demon, she's a demon lover  
**Em**  
Just like all the rest  
**C** **D**  
Or else she's billing out her wings  
**C** **D**  
In the many shades of contentment she brings

**G** Fadd CaddG **G**  
 I got to hide it baby  
 FaddG CaddG G  
 Because of you  
 FaddG CaddG G  
 And I hope that youâ€™re proud now honey  
 FaddG CaddG G  
 Itâ€™s all I can do

**G** FaddG CaddG **G**  
 I lit the darkness, darling  
 FaddG CaddG G  
 Come and build up my mind  
 FaddG CaddG G  
 And I can see the likeness baby  
 FaddG CaddG G  
 Your pain had to find

**G** **G/F#** **Em** ddG  
 Is it any mystery how we come to fall  
**B7**  
 In and out of love when sympathyâ€™s so small?  
**C** **D**  
 And I never meaning for some tears to come  
**C** **D**  
 Still you leave your silken flings all undone

**G** FaddG CaddG **G**  
 Why donâ€™t you call me sugar?  
 FaddG CaddG G  
 Like you used to do  
 FaddG CaddG G  
 I know you kisses are pure poison  
 FaddG CaddG G  
 Iâ€™m a-counting on you  
 FaddG CaddG G  
 And I know that you heads half crazy  
 FaddG CaddG G  
 And Iâ€™m walk crawling too  
 FaddG CaddG G  
 And lets make some hoops up Daisy  
 FaddG CaddG G  
 Iâ€™m a-counting on you

FaddG: (xx3213)  
 CaddG: (x32013)  
 Em addG: (022003)  
**G/F#**: (220003)
