Iâ $\in$ Mve been thinking about this too long Hoping that I will find another way home Iâ $\in$ Mve been thinking about us for too long Knowing that I have no chance with someone like you

I've been holding out for too long I realize you're done thinking bout me Why don't you see

But if you hear this on the radio
That means I'm lonely no more
And if you hear this on your stereo
That means I'm no longer yours

Iâ $\in$ <sup>™</sup>ve been shutting eye for too long I need wake up and take a look at reality Iâ $\in$ <sup>™</sup>ve been wanting this for so long Baby canâ $\in$ <sup>™</sup>t we try But is it too much to try Is it too much to try

But if you hear this on the radio That means  $\hat{Ia} \in \mathbb{T}$ m lonely no more And if you hear this on your stereo That means  $\hat{Ia} \in \mathbb{T}$ m no longer yours

Baby just give me one chance to see
Baby just give me one thing one reason to believe
Cuz I know
Where this could go

But if you hear this on the radio That means  $\hat{Ia} \in \mathbb{T}$ m lonely no more And if you hear this on your stereo That means  $\hat{Ia} \in \mathbb{T}$ m no longer yours

But if you hear this on the radio That means  $\hat{Ia}\in \mathbb{R}^m$  lonely no more And if you hear this on your stereo, that means  $\hat{Ia}\in \mathbb{R}^m$  no longer yours
