

**I Belong To You**  
**Jacob Lee**

The outro is tabbed that way to symbolize the quicker change from C#m to B the first time.

The B is often used as a short passing chord between the E and C#m.

The difference between C#m and E is sometimes hard to hear, so I m not really sure about certain parts.

[Verse]

**E**  
If I could be honest here in this moment  
**B C#m B E**  
I ve been so nervous to stand here with you  
**E**  
They re all here for us and I feel their aura  
**B C#m B E**  
But just for a moment I ll pretend it s just you

[Pre-chorus]

**F#m B**  
Yes they can hear us but they don t understand  
**C#m B C#m**  
I have said all of my vows behind the curtains  
**C#m B**  
I know they see us but they don t stand a chance  
**E B**  
I have kissed those lips a thousand times before this

[Chorus]

**A C#m**  
Tomorrow I ll open my eyes  
**B**  
And I will whisper to my wife  
**F#m A**
