What do you do when it rains
Where do you go when the world falls on you
Who do you call on when all your hope is gone
All your hope is gone

What do you do in the pain
Where do you run when you re thirsty again
Who do you cry out to when all your strength is gone
All your strength is gone

Come to me all who are weary and I will give you rest
Come to me my yoke is easy and my burden it is light, yeah

When all you can do is fight to hang on
Why do you feel like you can make it on your own
How long can you wait to hold on to his helping hand
Hold on to his helping hand

Come to me all who are weary and I will give you rest
Come to me my yoke is easy and my burden it is light

There s rest for your soul
Come rest your weary soul
There s rest for you soul
Rest your weary soul
