Intro picks played over this intro verse of all songs. But intermittently you can improvise

Picking into the song so as u like it.

[Intro:]

Yea yuh know

Only you

Only you

Dm A# C Am Gm Am

[Bridge:]

Only you can make me feel, just like a king

Love you give to me so real

Makes me give in

Dm A# C Am Gm Am

[Verse 1:]

Girl, just like magnet to steel

Your love - keeps pulling me in,

If its a battle I ll fight for you,

I have to win

To prove to you my love. is so deep within

Its even getting deeper

Since I reach prison

[Chorus:]

Dm A# C Am Gm Am

Longing for

My baby to love me more What am I longing for?

Babylon release the Cure

What am I longing for?

My baby to love me more What am I longing for? Babylon release the Cure

[Verse 2:]

 $\label{eq:definition} Dm \qquad A\# \qquad C \qquad Am \qquad Gm \qquad Am$

When, when, when?

Can we see each other again

When, when, when, when?

Can we see each other again

I know there s someone, must be there comforting you

Whenever you need a friend

I ll make you mine, give me some time, I ll surely make you mine

It may be long, now forever.

I vow, to get myself together

I love you baby, always on my mind, No matter the time.

[Chorus:]

Dm A# C Am Gm Am

Longing for

My baby to love me more

What am I longing for?

Babylon release the Cure

What am I longing for?

My baby to love me more

What am I longing for?

Babylon release the Cure
