[Intro]

C - Am - F - G

[Verses]

C

It started out with a picture

Am

Now its war with the mirror

F G

I cant win your fight

C

I hope you know that you never

Am

Have to be on the cover

F G

Girl, youre already mine

F

No matter what I do

G

Its like you never see you

C Am

The way that I want you to

F G

Youre the one that Ive been dreaming of

All this time

C Am

Whats it gonna take to show you

F

I would give the world up just to hold you

G

When the stars fill up the sky

C

They got nothing on your eyes

Whats it gonna take to show you **Am**
 I would give the world up just to hold you **F**
 When it all becomes too much **G**
 I hope this song will be enough **C** **Am** **F** **G**
 When the stars fill up the sky **C** **Am** **F** **G**
 They got nothing on your eyes **C**
 Go and take down the posters **C**
 Say goodbye, nice to know you **Am**
 Then you will realise **F** **G**
 That girl your beauty is blinding **C**
 So there is no point denying **Am**
 You dont have to try **F** **G**
 No matter what I do **F**
 Its like you never see you **G**
 The way that I want you to **C** **Am**
 Youre the one that Ive been dreaming of **F** **G**
 All this time

Whats it gonna take to show you **C** **Am**
 I would give the world up just to hold you **F**
 When the stars fill up the sky **G**
 They got nothing on your eyes **C**
 Whats it gonna take to show you **Am**
 I would give the world up just to hold you **F**
 When it all becomes too much **G**
