

Im The Secret
Jaime Preciado

Intro: **D Gsus2** x9

D Gsus2 D Gsus2
and i just fell in the deep end, like a lush without her weekend
D Gsus2 D Gsus2
but i wrote this for you kid. its not what i wanted, i need it.
but man its a long trip, from all the crazy things I ve seen in this world
I m blessed, I guess.

Bm Gsus2
but what if i was a secret, and you couldn t keep it.
D Gsus2
and i swear i saw something good in your eyes before.
Bm Gsus2
and if i sang it in the right key and i asked you politely
D Gsus2
for you to find a way home.

i find it difficult to sleep when all the walls they just seem to speak to me.
A
and its kind of funny that i laugh because my hearts so fucked up
Gsus4
i can barely stand the sights and sounds of the cars outside, the red and
greens on the traffic lights. the only thing i got is this, the only thing i
want is this...
memories that make me smile, a girl to stand there so she can admire the way
i can never ever really keep my hands to myself. but the alcohol it taste
so sweet, when its mixed with lies and defeat of all the battles i lost and
lost again.

D Gsus2
but what if you were the secret, and i didn t see it
D Gsus2 A
and i swear to god i wish these thoughts of mine
Bm Gsus2
could create the sunshine as beautiful as your eyes
D Gsus2
I d paint this night sky.
Bm Gsus2
and its not like you need this, i just wanted you to see it
D
tonight.
