

All My Hope Is Gone
Jaimi Faulkner

** The whole song is played in D-Modal tuning (DADGAD) with blues picking **

[Intro]

Dm C Dm G Dm

[Verse]

Dm C Dm
Lord it's wrong to prey on the needy
Dm G Dm
How I hope that I am never on
Dm C Dm
That loses touch with the souls that surround me
Dm
I got my feet in the dirt
Dm G Dm
I get my heat from the sun
Dm C Dm
And I know there's a heartless among us
Dm G Dm
How it pains me to hear of the despair
Dm C Dm
Men in high places gonna talk of peace through violence
Dm
Fuelling enemies with weapons
Dm G Dm
As they strip each other bare

[Chorus]

G Dm
And I hope that peace will find us
G A
Even if I m the only one
Dm C Dm
And I try, I try, to look towards the sky
Dm G Dm
But I fear that today, all my hope it is gone

[Instrumental]

Dm C Dm G Dm

[Verse]

Dm C Dm
Tell me Jesus where can I find the answers
Dm G Dm
Up on the hillsides or in the valleys below?
Dm C Dm
None of our leaders take heed of the warnings
