

Lightning Bolt
Jake Bugg

[Intro]

E B A

The same rhythm runs through the intro and verses

[Verse 1]

E B A E
Morning, itâ€™s another pure grey morning

B A E
Donâ€™t know what the day is holding

B A
When I get uptight

E B A E
And I walk right into the path of a lightning bolt

[Verse 2]

E B A E
Sirens of an ambulance comes howling

B A E
Right through the centre of town and

B A
No one blinks an eye

E B A E
And I look up to the sky in the path of a lightning bolt

[Verse 3]

E B A E
Met her as the angels parted for her

B A E
But she only brought me torture

B A
But thatâ€™s what happens

E B A E
When itâ€™s you whoâ€™s standing in the path of a lightning bolt

[Chorus]

A
Everyone I see just wants to walk with gritted teeth

E
But I just stand by and I wait my time

A
They say you gotta toe the line they want the water not the wine

E B A E
But when I see the signs I jump on that lightning bolt

[Verse 4]

E B A E
Chances, people tell you not to take chances

When they tell you there aren't any answers

And I was starting to agree

But I awoke suddenly in the path of a lightning bolt

[Verse 5]

Fortune, people talking all about fortune

Do you make it or does it just call you

In the blinking of an eye

Just another passer by in the path of a lightning bolt

[Chorus]

Everyone I see just wants to walk with gritted teeth

But I just stand by and I wait my time

They say you gotta toe the line they want the water not the wine

But when I see the signs I jump on that lightning bolt

[Verse 6]

It was silent, I was lying back gazing skyward

When the moment got shattered

I remembered what she said

And then she fled in the path of a lightning bolt
