

Seen It All

Jake Bugg

Standard tuning

Capo II

[Intro]

Em C G G/F# x2

[Verse 1]

Em C G D
One Friday night I took a pill or maybe two

Em C G D
Down at the car park I saw everyone I knew

Em C G D
And before the night had started we had planned to crash a party

Em C G D Em
Just a place that someone knew a local house belonging to a gangsters crew

[Break]

C G D

[Verse 2]

Em C G D
And at the door they shone a light into my face

Em C G D
Have to admit I felt a little out of place

Em C G D
But I made my way inside past a thousand crazy eyes

Em C G D
Then a friend took me aside said everyone here has a knife

[Chorus]

C
I ve seen it all

G D
I ve seen it all now

C
I swear to god I ve seen it all

G D
Nothing shocks me anymore after tonight

[Break]

Em C G D

[Verse 3]

Em C G D
Those little doves had sent my mind and heart a-beating

Em C G D
To say I felt weird really doesn t need repeating
