

**Cadd9 G**

trying to make some sense

**G G/F# Em**

Memorized the mantra confucius said

**Em D Dsus2 D Dsus2**

But it only let me down

[Chorus]

**Cadd9 D G G/F# Em**

Tried absolution of the mind and soul

**Cadd9 D G G/F# Em**

It only led me where I should not go

**Cadd9 D**

Oh and the answer well

**G G/F# Em**

how could I miss

**C D G**

Something as simple as this

**C D G Cadd9 G**

Something as simple as this?

[Bridge]

**Cadd9 D G Cadd9 D G**

I been falling crashing breaking

**Cadd9 D G**

And all the while you were

**Cadd9 D G**

stood here waiting

**Em**

For me girl

[Chorus]

**Cadd9 D G G/F# Em**

Tried liberation of my own free will

**Cadd9 D G G/F# Em**

But it let me looking to get higher still

**Cadd9 D**

Oh and the answer well

**G G/F# Em**

Who would have guessed

**Em C D Em**

Could be something as simple as this

**Em Am**

God knows how I could have missed

**C D G Cadd9 G**

Something as simple as this
