And I sing words so true

G

That I sing, that I sing, for you

(Just repeat)

All the girls I ve ever known
Have something about you

You don't believe the things I say
Even when they're true
But girl I'm telling you that you're something else
And I mean the things I say

Haven't known you long
Still wrote you this song
And I sing words so true
That I sing, that I sing, for you
