## The One I Never Knew Jake Bugg

The One I Never Knew By: Jake Bugg Tuning: Standar Capo 4ft

С

All the girls I ve ever known Have something about you You don t believe the things I say Even when they re true F C But girl I m telling you that you re something else G C And I mean the things I say

## С

I hope one day you ll realise What you re in my eyes All the words I say are true No, I don t tell lies F C But girl I m telling you that you re something else G C And I mean the things I say

AmEmHaven t known you longAmEmStill wrote you this songAmEmAnd I sing words so trueGThat I sing, that I sing, for you(Just repeat)All the girls I ve ever known

Have something about you

You don t believe the things I say Even when they re true But girl I m telling you that you re something else And I mean the things I say

Haven t known you long Still wrote you this song And I sing words so true That I sing, that I sing, for you
