

Trouble Town
Jake Bugg

[Verse]

E
Stuck in speed bump city Where the only thing thatâ€™s pretty
A **E**
Is the thought of getting out
E
Thereâ€™s a tower block overhead All youâ€™ve gotâ€™s your benefits
A **E**
And youâ€™re barely scraping by

[Chorus]

A
In this trouble town
C **E**
Troubles are found
A
In this trouble town
C **E**
Words do get â€™round

[Verse]

E
Kick the bottom make troubles flee Smoke until our eyes would bleed
A **E**
Sparkle pop the seed
E
Hear the sirens down the street The kids get light on their feet
A **E**
Or theyâ€™ll be in the back seat

[Bridge]

A
In this trouble town
C **E**
Troubles are found
D
Sitting on the pavement
A
Boy youâ€™ve missed your payment

A **E**
And theyâ€™re gonna find you soon

D
If thereâ€™s a beating in the rain

A
If thereâ€™s a little bit of pain, man

A **E**
Youâ€™re the one it happens to

[Verse]

E
If I talk of getting out I only hear the laughter loud

A **E**
Itâ€™s got an ugly echo

E
Somewhere thereâ€™s a secret road To take me far away I know

A **E**
But â€™til then I am hollow

[Chorus]

A
In this trouble town

C **E**
Troubles are found

A
In this trouble town

C **E**
Words do get â€™round

D
Sitting on the pavement

A
Boy youâ€™ve missed your payment

A **E**
And theyâ€™re gonna find you soon

D
If thereâ€™s a beating in the streets

A
If thereâ€™s a feeling of defeat

A **E**
Youâ€™re the one it happens to

E
Stuck in speed bump city Where the only thing thatâ€™s pretty

A **E**
Is the thought of getting out
