Skin up a fat one, hide from the Feds

Something is changing, changing, changing.

So I kiss goodbye to every little ounce of pain

**C#sus2**

Light a cigarette and wish the world away

I got out I got out I m alive and I m here to stay

So I hold two fingers up to yesterday

**C#sus2**

Light a cigarette and smoke it all away

I got out, I got out, I m alive and I m here to stay
