**Waiting**
**Jake Bugg**

```
        C
All the time before I knew you
                Am
Seems now so long
    F
And I cannot explain
          Am
Even if I try

         C
No, you never make it easy
                        Am
No, it s hard to be strong
    F
But all in good time
       Am
I can wait

       C
I ll be waiting
        Am
I ll be waiting
    F
For I cannot explain
          Am
Even if I try
            C
When you re leaving
        Am
I ll be waiting
    F
For I cannot refuse you
     Am
I ve tried

(  C  Am  F  Am  )

        C
All the years spent together
              Am
Slowly aging on
     F
And I wonder just what s wrong
         Am
Are you tired?

        C
```

```
I ll be waiting
          Am
I ll be waiting
      F
For I cannot explain
            Am
Even if I try
                C
When you re leaving
                    Am
Lord knows I ll be waiting
      F
For I cannot refuse you
          Am
I ve tried

(   C     Am     F   Am   )
