Intro:

A - F#m - Dmaj D D* - E

A **F#m** **Dmaj** **E**
The simple glow of a silhouette cast on your face tonight.
A **F#m** **Dmaj** **E**
And I can feel you breathing in like everything's all right.
A **F#m**
But do you even notice the look in my eye,
Dmaj **E**
when I hear you say goodbye?
A **F#m**
And I don't want to know,
Dmaj **E**
where you're laying down tonight.
A **F#m**
And time and time again,
Dmaj
you break me.
E
Please just let me in?

A **F#m** **Dmaj** **E**
I remember days when a sara-nade, could lift your soul so high.
A **F#m** **Dmaj** **E**
But you don't smile now, it's been a while, since I've seen you even try.
A **F#m**
And do you even notice the way that I die,
Dmaj **E**
when I hear you cry at night?
A **F#m**
And you don't want to know,
Dmaj **E**
why I feel the way I do.
A **F#m**

And time and time again,

Dmaj

I break you.

E

why can't I let you in?

A **F#m** **Dmaj** **E**

Somber sounds of the pouring rain they comfort me tonight.

But you are somewhere soaked in pain no happiness in sight.
