With you right there in that grey and blue dress
Am G F
Smiling at me through your wine glass

I finally feel as if I found myself
C Em
Like a yellow flower through a sidewalk crack
Am G F
Yea your kiss is a little somethin like that
Am G F
You re the reason I ain t ever looking back

[Chorus]

Am G F
Cause you found me first
Am G F
And you led me home
Am G F
That night in the cold under the streetlight glow
Am
I swore I saw a halo
G F
But I don t really know
Am G
And a pack of hungry wolves
F
Had my back down to the dirt
F C Em
But you ... you found me first

Well life s become a kind of perfect out of place

Guess it s been waiting all along on me and you

A lucky day behind the grey scratch off ticket truth
Am **G** **F**
They say you never win but i guess sometimes you do

[Chorus]

Am **G** **F**
Cause you found me first

Am **G** **F**
And you led me home

Am **G** **F**
That night in the cold under the streetlight glow

I swore I saw a halo

G **F**
But I don t really know

Am **G**
And a pack of hungry wolves
